

Enable Cookies

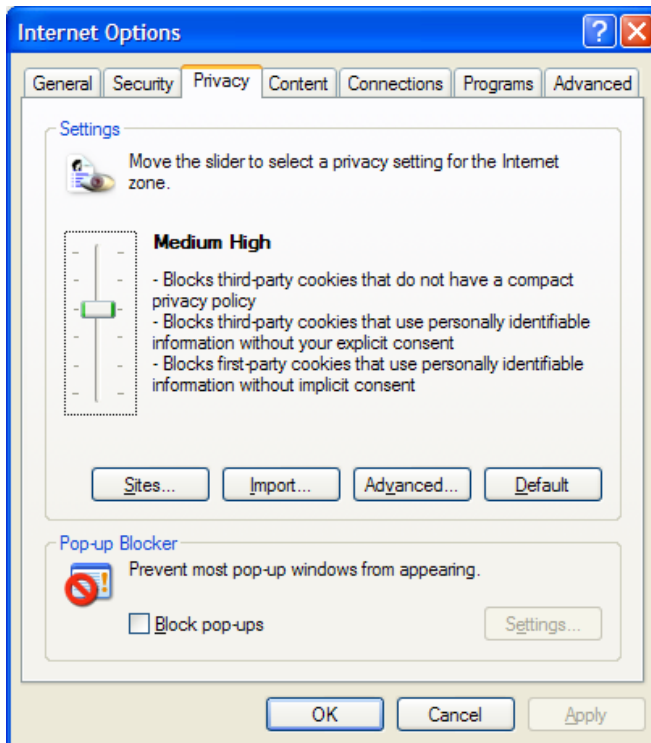

You won't be able to add items to your basket or complete the checkout process unless you have cookies enabled in your web browser.

Enabling Cookies in Internet Explorer

1. Open Internet Explorer
2. Go to Tools, Choose Internet Options

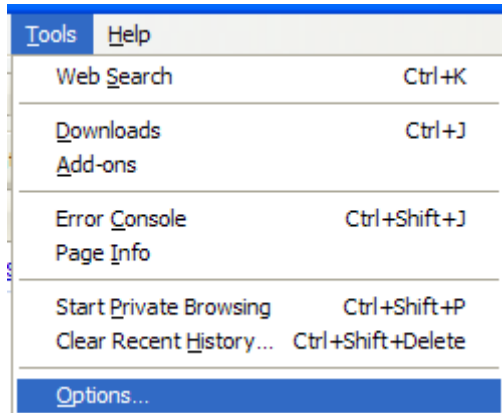

3. Click Privacy. Set the bar to Medium High, or anything below. High or Block All Cookies will not work.

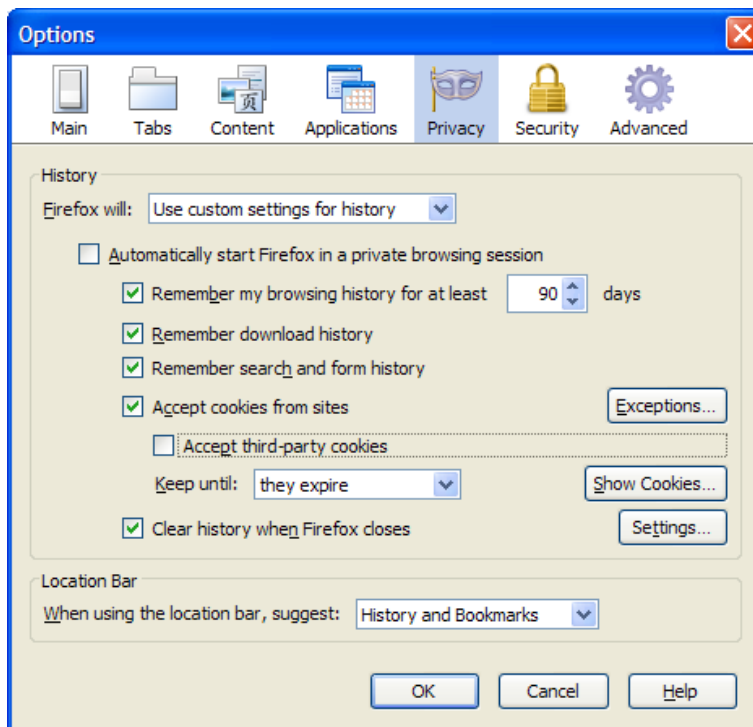

Enabling Cookies in Firefox

1. Open Firefox
2. Choose Tools, then Options

3. Click Privacy. Make sure **Accept Cookies From Sites** is checked. **Accept third-party cookies** does not have to be checked.

4. Click OK
